Re: September 2023 Monthly Activity Report for Public Works

#### Water and Sewer

- Water and Sewer System Needs Unfunded: (1) West Ridgeway St. sewer main (general location is in area between Ridgeway Street and Fairlane Drive) Determine exact location of sewer main and right of way. (2) Install magnetic flow meter in 14-inch sewer force main where Town of Norlina's and Warren County's Sewer enters Town of Warrenton's sewer system (meter would give us precise measurement of volume of sewer in route to the wastewater treatment plant from our partners thus helping to ensure accurate portioning of monthly wastewater treatment expense between the three partners). (3) Purchase water main valve exercising equipment.
- Completed Water and Sewer System Maintenance/Repair Related Information: (1)
  Repair John Riggan Sewer Lift Station. Replaced motor control float switch. Contractor:
  Breedlove Electric. (Labor \$100.00, Parts supplied by Town). (2) Preventative Maintenance

## Warrenton Police Department October 2023 Monthly Summary

## Cop Stops

On 09/20/23 Sgt. Oakley was setting up to run RADAR on N Main St.; as he was observing traffic, he noted a dark in color SUV approaching the Main/Fairview light. He recognized it as belonging to Mr. Dwayne Hicks of S Hall Street. Mr. Hicks has a history of harassing officers; he is irrational and paranoid. He began photographing Sgt. Oakley while sitting at the light. When the light changed, Mr. Hicks turned and drove as if to pass Sgt. Oakley but stopped beside him, taunting him, and continued photographing. Sgt. Oakley warned him to continue driving as traffic began to back up behind him. Mr. Hicks failed to comply initially with the commands but finally drove away very slowly. Sgt. Oakley then noted that the vehicle had no rear taillights, so he moved to get behind Mr. Hicks and initiate a traffic stop. That stop yielded a third yielation, including a pick-up order for the license plates. The plates were seized while Mr. Hicks continued with constant taunting and inflammatory statements toward Sgt. Oakley. Mr. Hicks was issued a citation and instructed not to drive the vehicle. Sgt. Oakley then cleared the stop and left Mr. Hicks and his vehicle parked in the area of N Bragg St. Sgt. Oakley then moved to a separate location to complete the paperwork associated with the traffic stop and was joined shortly by Hicks, driving the same vehicle without the license plate. Sgt. Oakley activated his blue lights and stepped from his patrol car to speak with Hicks. He questioned Hicks about why he was driving it after being told not to. Hicks then drove away, and Sgt. Oakley followed with his lights active. Hicks drove to his 107 S Hall St. residence and began stepping out of his vehicle. Hicks was ordered at gunpoint to remain inside his vehicle. Hicks failed to comply, calling Sgt. Oakley names and refusing to follow commands. Sgt. Oakley attempted to detain Hicks physically for safety reasons, but Mr. hicks became defensive and pushed Sgt. Oakley's hands away. A physical altercation ensued, and Sgt. Oakley used his Taser in stun mode to gain pain compliance from Hicks. After another brief struggle, Hicks complied with Sgt. Oakley's orders and was taken into custody for Resisting a Public Officer. He was given a \$500 secured bond, which he paid at the magistrate's office, and was released.

## <u> Hit and Run Update:</u>

On 9/7/2023, an unknown vehicle struck the power pole and the fire hydrate on N. Main in front of the Town Administrator, Robert Davie's house, at around 0100 hours. Mr. Davie was awakened from sleep because his house trembled about the impact. We had no witnesses to come forward and no camera footage of that portion of Main Street, so the report was simply inactive. Fortunately, due to unknown reasons, the vehicle driver reported the "property damage" to her insurance company. Through the diligence of the insurance representative, he was able to establish where she was when she hit utilities, and he reached out to me on 9/20/2023. Since then, Bill has put together an estimate for the fire hydrant repair, and I have submitted pictures of the damage. I feel confident that the Town of Warrenton will receive funds to make repairs, and our department is waiting for that to be completed before moving forward with a decision to charge the driver.

WCSO invited our officers to participate with them at this forum held at the Armory on Thursday, October 26th, from 5:30 to 7:30 p.m.

Excellent agency relations and public awareness opportunity.
